\* Per the Medicare Access and CHIP Reauthorization Act of 2015 (MACRA) Plans C and F are no longer available to beneficiaries who are newly eligible for Medicare on or after January 1, 2020. Those who are eligible for Plan F designs must pay for Medicare covered costs (coinsurance, co-payments, and deductibles) up to the deductible amount of \$2,800 in 2024 before the policy will pay anything. Because the high deductible plan F is no longer available, in some states a high-deductible Plan G may be available, however it will not cover your Part B deductible.

\*\* For Plans K and L, after you meet your out-of-pocket yearly limit and your yearly Part B deductible (\$240 in 2024), the Medigap plan pays 100% of covered services for the rest of the calendar year.

\*\*\* Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that don't result in an inpatient admission.
